1. A research paper on 'Integrated Production – Inventory-distribution Optimization in a Multi- echelon Supply Chain' authored by T.V.S.R.K Prasad, **Prof.K.Srinivas** and Assoc.Prof.**Dr.C.Srinivas** was published in the Proceedings of the International Conference on industrial Engineering, held at SVNIT, Surat in Feb 2016.
2. Mr. **Reddy Sreenivasulu** Asst.Prof. presented a paper on 'Prediction of surface roughness in end milling operation of Aluminium 6351-T6 alloy using Taguchi methodology' in the National Conference on Design and Manufacturing for Product Life Cycle (DPLC-2016) organized by Department of Mechanical Engineering, BITS Pilani, Hyderabad during March 19 – 20, 2016.
3. A research paper on 'Mathematical modelling of surface roughness in hard turning for evaluating the effects of process and tool parameters' authored by **Prof.G.Srinivas** was published in the Proceedings of the International Conference on Trends in industrial and mechanical engineering, held at MANIT Bhopal in Feb 4-6, 2016
